

Sam Shelly

(530) 340-1065 | Walnut Creek, CA | samgshelly@gmail.com | linkedin.com/in/sam-g-shelly/

EDUCATION

Vassar College | Poughkeepsie, NY

Aug 2022 - May 2026

Bachelor of Arts | Major in Computer Science | Minor in Astronomy

GPA: 3.64 / 4.00

Relevant Coursework: Data Structures and Algorithms, Analysis of Algorithms, Software Design, Compilers, Natural Language Processing, Introduction to Numerical Methods, Robotic Design Competition

Danish Institute for Study Abroad | Copenhagen, Denmark

Jan 2025 - May 2025

Junior Spring Semester Abroad

Relevant Coursework: Game Development, Artificial Intelligence

HONORS

DataFest 2024 - Best Overall Analysis

EXPERIENCE

AI Development Intern, Innovative Computing Systems, Los Angeles, CA

May 2025 - Jan 2026

- Designed and implemented a Microsoft Copilot Studio Knowledge Agent to streamline employee workflows and internal knowledge access.
- Collaborated with executive leadership and engineering teams to research, prototype, and deploy AI-powered information retrieval solutions.
- Built data conversion and ingestion tools in Python to support search, retrieval, and knowledge management initiatives for company SharePoint.

Undergraduate Research Assistant, Vassar College, Poughkeepsie, NY

Jun 2024 - Sep 2024

- Identified turbulence-driven feedback mechanisms affecting magnetic field dynamics and gas outflows in the circumgalactic medium.
- Utilized magnetohydrodynamic (MHD) modeling techniques to investigate the interplay between turbulence and magnetic field alignment, informing models of galaxy formation.
- Collaborated with co-authors to draft, edit, and revise a research paper summarizing our findings.

Computer Science Dept. Coach, Vassar College, Poughkeepsie, NY

Jan 2024 - May 2026

- Mentored students in foundational and advanced computer science concepts, including algorithms and data structures, in Java.
- Assisted students in debugging code, optimizing algorithms, and mastering software development.

ACTIVITIES

Ultimate Frisbee Leadership / Player, Vassar College, Poughkeepsie, NY

Aug 2022 - May 2026

- Demonstrated commitment and discipline through practices, tournaments, and conditioning programs.
- Worked with team captains and school officials to plan social events while maintaining a supportive and inclusive environment

SKILLS

Programming Languages: Python, Java, C, C#, C++, OCaml

Tools & Platforms: GitHub, Microsoft Copilot Studio, Power Apps, Google Workspace, RISC-V, PyTorch, BERT, scikit-learn, Unity, yt-project, Stable Baselines3, OpenAI Gym, HuggingFace Transformers, PyGames

Languages: Spanish (Beginner), Danish (Beginner)

Core Strengths: Leadership, Research, Communication, Adaptability, Attention to Detail
